From Brand: Running Press : Bo Confidential: The Secret Files of America's First Dog before purchasing it in order to gage whether or not it would be worth my time, and all praised Bo Confidential: The Secret Files of America's First Dog:

1 of 1 people found the following review helpful. Not the best from Mr. RichmondBy CustomerI really like Tom Richmond's work and almost without thinking I purchased this new released book. Well let me tell you I regretted it. Not the best caricatures from this master and kind of wrapped up in a clear hurry to launch it. Very disappointing I suggest buying some back issues of MAD if what you want is to have more of Mr. Richmond0 of 0 people found the following review helpful. Bo Confidential: the secret files of America's first dogBy BookladyThis book is a good

laugh. Told from Bo's point of view, it is a chuckle a page. Written by writers at Mad, it has the right illustrations and dialog to make it believable. It offers a view of the inside of the White House0 of 0 people found the following review helpful. Three StarsBy CustomerI thought that the book had more pages.

From the moment Barack Obama announced that he would get a dog for his daughters upon winning the White House, the "First Pet" has been at the top of the news cycle. And from the moment Portuguese water dog Bo Obama was officially introduced to the nation—in front of the largest press pool since Queen Elizabeth's state visit in 2007!—reporters everywhere have been trying to get the scoop on America's top dog. Now, through a special loophole in the Freedom of Information Act (apparently dogs aren't covered), citizens of the world can see the White House in a whole new way! Open the secret files of America's First Top Dog to get a highly classified and highly entertaining knee-high glimpse of life in the White House, all told in first-pooch point of view. Following in the rich tradition of such renowned presidential pets as FDR's Scottish terrier Fala, Harding's Airedale, George HW Bush's Millie, and the Clintons' cat Socks, Bo Obama will surely be making headlines for the next 4-to-8 years!

About the AuthorMAD Magazine has been one of the leading satire publications for over 50 years, lampooning politics and culture with an inimitable brand of wit and wisdom that speaks to several generations of fans. Tom Richmond is a freelance illustrator, cartoonist and caricaturist. His award winning work has appeared in comic books, magazines, products, television and film, books, and advertising, since 1985. He is best known as one of "The Usual Gang of Idiots" for MAD Magazine, where he has illustrated MAD's trademark movie and TV parodies and other features since 2000.
