Bob Cobb : Bob Cobb's Bill Clinton Bartender's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Bob Cobb's Bill Clinton Bartender's Guide:

I'd like to be a fly on the wall when (and if) Bill sees it. This book should've probably come out a couple of years sooner, but with the pardon investigations looming, maybe it will turn out to be well-timed after all. But certainly I agree that a Bill Clinton Bartender's Guide is the surefire life of any party

or a day's conversation at the company water cooler. I guess there's not much danger in America forgetting Bill Clinton anytime soon! Very original, and well written humor. 18 of 18 people found the following review helpful. Liberal LaughingBy A CustomerThis book is great! As a commie-lib, I'll have to warn fellow left-of-the-aislers that this is not a Clinton-favorable book, but the notes at the end of each recipe are downright hilarious. I highly suggest "Gordon's Government Shutdown" to all interested parties. This book tends to be slanted toward Clinton's personal indiscretions, but regardless, it's a book any fun-loving American will appreciate. 9 of 11 people found the following review helpful. HilariousBy A CustomerHow can you go wrong with drinks like "A Girl Named Margarita", "Intern-al Investigation", and "Lamented Liaison"?!! This is the perfect novelty item to take to a party and show off. The recipes are really good too. No doubt that the best way to start off a night on the town is with a "Skirt Chaser", courtesy of the coolest president ever! I love the cover of this book.

The essential Bill Clinton bartender's guide for mixing adult beverages such as "\$200 Haircut," "A Girl Named Margarita," and "Intern-al Investigation." Ever want to learn how to tend bar or mix drinks? Step into the world of Bob Cobb, grand artist and master mixer of politically-oriented adult beverages. Try out "Oral Examination" and other Clinton adult beverages such as "Skirt Chaser."

"This Bob Cobb is obviously a dittohead, and a charter dittohead." -- Rush Limbaugh, April 6, 2001
