Bob Cobb : Bob Cobb's Dittohead Bartender's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Bob Cobb's Dittohead Bartender's Guide:

If it were possible to give a book ten stars, that's what I would give this book. For all those students of the Limbaugh Institute for Advanced Conservative Studies out there, this is required reading for brushing up on your Limbaugh vocabulary. The "adult beverage" recipes are real, and named after various things heard on the show since its inception. "Almond ACLU" and "Affirmative Action Ambrosia" are a couple of examples. My personal favorite is

the "Reagan Reminder". Far too many Americans are in need of that one! If you're a bona-fide dittohead, then you owe it to yourself not to miss this. 29 of 33 people found the following review helpful. Entrepreneurism At Its Best By A Customer What a great idea for a book series. I saw this in the "Limbaugh Library" under Rush's recommended reading list for all members of the Limbaugh Institute For Advanced Conservative Studies, and I had to try it out! If you love the show (i.e. are a dittohead), then you will find this to be one of the most entertaining books you've ever gotten your hands on. With adult beverages like "Affluenza Aphrodisiac" and "Puff The Magic Daschle", you won't be able to get enough!!! From beginning to end, this book clearly illustrates the ingenuity and good humor of Rush's audience. As I read about it in NewsMax magazine, "created for dittoheads by a dittohead, and not by an 'art croissants crowd-type' publishing executive", you can't not love this book if you love EIB... 18 of 19 people found the following review helpful. Very Funny By A Customer I found this to be one of the funnier books I've read in a long time. Also check out "Bob Cobb's Bill Clinton Bartender's Guide" too. I think there's only one or two drinks duplicated between the two, out of maybe 150+. This was certainly a great idea for a series of political satire. When you think about it, sound-bites "sound" a lot like mixed drinks. I would encourage everyone to check out "Environmental Wacko Whiskey". That's my favorite.

The essential unofficial dittohead guide for mixing adult beverages such as "Adios Alec," "Atomic Oprah," and "Jesse's Flaming Riot." Ever want to learn how to tend bar or mix drinks? Step into the world of Bob Cobb, grand artist and master mixer of politically oriented adult beverages. Try out "Jocelyn's Jazzy Juice" and other adult beverages such as "Feminazi Frazzle."
