**Patrick McDonnell : BONK!: A Mutts Treasury** before purchasing it in order to gauge whether or not it would be worth my time, and all praised BONK!: A Mutts Treasury:

1 of 1 people found the following review helpful. I love the beautiful, gentle Mutts comic collection books, and you will too. By Alan Z Mutts is the most beautiful comic strip; kind and loving. Even though I don't particularly care for dogs, and we don't own any pets, my wife and I are in love with Earl and Mooch and their friends. These treasuries are pure gold. This is a combined review of a lot of annual and treasury collections, because essentially, they are indistinguishable. In the Mutts universe, nothing ever changes. That means you can buy ANY of these books and enjoy them in any order! The annual collections this review covers are Mutts (1996), Cats Dogs (1997), More Shtuff (1998), Yesh! (1999), Our Mutts (2000), A Little Look-See (2001), What Now (2002), I Want to Be the Kitty! (2003), Dog-Eared (2004), and Who Let the Cat Out? (2005). After 2005, Patrick McDonnell started publishing larger treasury collections instead of the smaller annual books. They are Everyday Mutts (2006), Animal Friendly (2007), Call of the Wild (2008), Stop and Smell the Roses (2009), Earl and Mooch (2010), Our Little Kat King (2011), BONK! (2012), Cat Crazy (2013) and Living the Dream (2014). Each has a year's worth of comic strips, and some other bonus things too. And yes we own them all! See the photo - we even have little Mutts dolls, including Mooch with his little pink sock. In each collection, we meet the same sweet animals, the same delightful children (we love Doozie and her "Bobbie Doll" car), the same eccentric grown-ups, the same familiar settings (like the seashore and my favorite place, the Fatty Snax deli). We have the everyday adventures of a little dog, Earl, and a little cat, Mooch, and their friends. We also have recurring themes, like "Shelter Stories" to encourage adoption, the annual visit to the seashore to see Crabby the Crab and Mussels Marina, encounters with a bear trying to hibernate, the same birds working on getting their songs right, and attempts to tell the worlds about endangered tigers. We always keep one or two of these beautiful comic books on the bedside table. We've read them all many times (like Earl, they are dog-eared), and often look through a few pages every night. You can't get tired of them! If you follow the comic strip

“Mutts” you know what I’m talking about. If not, well, you will love these books. Hint: You can follow the comic online at <http://muttscomics.com/> 0 of 0 people found the following review helpful. I love the two squirrel bombardiers By Patricia M. Bugland I am an unabashed Mutts reader and fan. I love the two squirrel bombardiers, Bip and Bop. This is another cute and witty collection for those of us who are serious Mutts fans and those who are new to the strip. and characters. Buy it! Makes a nice stocking stuffer or hostess/host gift. 2 of 2 people found the following review helpful. Bonk! A true Mutts treasury By Pekka Not only does it make you laugh.. and sometimes even LoL (pardon the expression) BUT it also tells a very important story from animals and mother nature. They don't have alphabets nor do they have a language we can easily understand but they do have Patrick McDonnell and his talent. Thank you - again.

The beloved characters of Earl and Mooch are back in a collection of a year’s worth of color Sunday and black-and-white daily cartoons. Enjoy the day-to-day adventures of two animal buddies, a small mutt with a big heart named Earl, and Mooch, a cat with his own way of thinking and talking (yesh!). Mutts explores the special bond between animals and their guardians, and the endearing friendship of Earl and Mooch. It strikes a delicate balance between joy and fun and responsible social commentary. Mutts has been recognized for its distinctive style, heartwarming humor, and compassionate advocacy for animal issues. In this 16th chronological collection of Mutts strips, a year's worth of color Sunday strips and black-and-white daily strips are included, along with pop-art splash pages that highlight McDonnell’s imaginative artwork and distinctive style.
