**Van Kransman : Boris and his Mysterious Death (The Boris Chronicles) (Volume 1)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Boris and his Mysterious Death (The Boris Chronicles) (Volume 1):

0 of 0 people found the following review helpful. Amazing quirky funny story...By damskeyWhen I started this book I wondered what I had let myself in for however as it progressed I was taken with the incredible humour, the language, the names used and the way the author took the reader to places and situations which had me asking for more. An

extremely clever, funny book written by someone with a very quirky mind! May the author produce more or at least let us know where Boris ended up??0 of 0 people found the following review helpful. Disappointing sillinessBy CustomerThis story was too silly. It was like Dr. Seuss without the artwork. After reading the reviews of how funny it was, I was very disappointed.0 of 1 people found the following review helpful. Odd! Plodding.By Robert N. PrippsOdd! Plodding. DNF

a genuine tour de farce - Sean Doyle The line between Renaissance man and village idiot is sometimes blurred. - Village Idiot. Imagine a nation with only three species of animal: goats, mules and deadly jellyfish. Now think of a kind of super-spam containing goat and eel, a dog that lives in water and a very hairy mother-in-law. Lastly, picture a man named Boris, who was part of all this and much, much more. Except now hes dead or is he? Boriss life suffers a hiccup of morbid proportions when hes found dead, wedged headfirst in a wombat burrow. Although a perfectly respectable way to die, something about Boriss bloated corpse doesnt add up. How could a man who led a violent revolutionary movement in Huckalbad, swam unaided from Australia to the Spratly Islands and starred in 37 feel-good adult films including classics like When You Bleat I Groan, perish in a wombat hole? Youre right. It doesnt make sense. Cough and look around.

About the AuthorVan Kransman lives in Melbourne, Australia, with his wife, daughter, dog and three chickens. He is a collector of dug-up things, very interested in history and constantly dreaming of adventure. Boris and his Mysterious Death is Vans first book with more Boris Chronicles to follow shortly. If you enjoyed Boris and his Mysterious Death, please leave a review on , Goodreads or in a public place using graffiti. For more about Van, visit [www.vankransman.com](http://www.vankransman.com) where you can sign-up to his newsletter and receive the latest husbandry tips on goats, mules and even Huckalbad jellyfish. Note No goats were injured during the making of this book.
