Mike Bender, Doug Chernack : Born to Be Awkward: Celebrating Those Imperfect Moments of Babyhood before purchasing it in order to gage whether or not it would be worth my time, and all praised Born to Be Awkward: Celebrating Those Imperfect Moments of Babyhood:

0 of 0 people found the following review helpful. Great book :)By Mommy4everThis book is full of adorable and awkward family photos. This is really a very interesting book that will get a lot of laughs!0 of 0 people found the following review helpful. Five StarsBy Evelyn Preecelove it thanks1 of 1 people found the following review helpful. If you're a parent, you'll get it.By J. LietzBorn to Be Awkward by Dough Chernack is filled with all of those embarrassing or just plain terrible baby photos that we all have at least one of lurking in a box somewhere.This book was just funny. It captured the attention of my kids as well as it got mine. I know there are a few photos of me that could have been included in this, and I know I've taken a few of my kids that could have fit in just right too.This one Christmas, when my oldest was 4 and my son was about 5 months old, we were trying to take a photo for our Christmas cards. The kids were losing it. Finally we just said the heck with it and I figured at least one had to be good.

Nope. None were. So I picked this one with my son bawling and my daughter with the most evil look a 4 year old can make. It was just right. It summed up our year perfectly. I sent that thing out on my Christmas cards and EVERYBODY loved it. So this book is just me. I get it. I really do. Professional photographers are expensive and even they fail sometimes. This book pays great homage to that. Disclaimer: I received a free copy of this book from the publisher in exchange for writing an honest review. I did not receive any other compensation.

From the folks who brought us the bestselling Awkward Family Photos series comes a tribute to those awkward early years of life. Our first few years are the most photographed time of our lives. Our parents document every milestone and then feel compelled to share these photos with the world. The only problem is, we haven't developed our motor skills and can't control our faces, or any other parts of our body for that matter. This, of course, leads to some of the most hilarious and unexpected family pictures. From our first post-delivery scowl, to our first throw-up, and yes, even to our first bikini--Born to Be Awkward is a celebration of what is literally the most uncomfortable stage of life.

About the Author MIKE BENDER is a screenwriter whose credits include Not Another Teen Movie and the MTV Movie Awards. DOUG CHERNACK is a professional screenwriter and producer who has created and produced shows for E!, Fox Sports, and The Golf Channel.
