Steve Fist, Ivor Baddiel : Bottle: The Completely True Story of an Ex-Football Hooligan before purchasing it in order to gage whether or not it would be worth my time, and all praised Bottle: The Completely True Story of an Ex-Football Hooligan:

Steve Fist was the football hooligan's football hooligan. Between the years 1975 and 1991, not one day went by when

he didn't beat the absolute living crap out of at least one person for being another team's fan. Bottle is a story about the extreme end of extreme violence, and a tale about the worst excesses of brutality, sadism, and senseless bloodshed.

"Fizzes with filth, rudery and refreshing brilliance' - Stephen Fry" "Excellent send-up of the hoolie genre ... eloquent, readable and funny *****" FourFourTwo "'A deliciously accurate and very funny spoof.'" -- David Winner FT Magazine
About the Author Ivor Baddiel is not hard. He never has been and he never will be. In fact, he's soft as the proverbial. But he's been a Chelsea fan all his life, and in his three previous lives, so he knows what's what. He's also written some other books and stuff for TV and that, so he helped Steve out a bit with this one.
