**Kendra Dandy : Bouffants Broken Hearts Coloring Book: 75 Designs Inspired by Pop Art and Fashion** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bouffants Broken Hearts Coloring Book: 75 Designs Inspired by Pop Art and Fashion:

1 of 1 people found the following review helpful. Silly and fun repeat prints to colorBy Stefanie G.This is a silly and fun coloring book. The pages are all repeat prints so you can color the images in a variety of colors like pop art. The illustrations aren't too detailed so you can fill them in easily. Subjects include food, makeup, animals and faces.

Quirky coloring fun! Frosted doughnuts with sprinkles. Tubes of lipstick, ready to be stained in mild to wild shades. Bottles of wine dotted with a playful grape design. In the Bouffants Broken Hearts Coloring Book, you'll quickly find these aren't your typical coloring pages. The loud, quirky designs that made graphic artist and fashion designer Kendra Dandy's art prints stand out at places like Anthropologie and Urban Outfitters are now yours to color. So get your brightest markers or colored pencils ready and add your own flair to fun pop art patterns like mini hot dogs, funky

flamingoes, and 60s-inspired bouffants. With 75 groovy pages of fashion-inspired prints, **Bouffants Broken Hearts Coloring Book** is sure to shake up your coloring!

"The tiled images and pop-art concepts look like something you'd see on the walls of the Warhol Museum." --Maniac Magazine
