This book was a wonderful insight into the mind of the male and definitely helped me understand (as the only female in a house with four males) some of the intricacies of the male psyche.Dave Meurer is a wonderful author and the intermittant mentions of God and christianity were nice

and didn't come close to the stuffy, cram-it-down-your-throat level that some authors seem to take. I highly recommend this book, if only for the enjoyment of reading the story about Dave when he was a child and the fireworks. Hilariously funny. 0 of 0 people found the following review helpful. AwesomeBy JenniferSo funny. Love this book. 0 of 0 people found the following review helpful. THIS BOOK WASN'T VERY GOOD OR IT WASN'T VERY FUNNY. By VALERIE TOWNSEND I DIDN'T LIKE THIS BOOK IT REALLY BORED ME TO TEARS. I HAVE READ TWO OTHER BOOKS BY HIM WHICH WERE BOTH MUCH BETTER AND MUCH FUNNY THEN THIS ONE.

"Dave Barry is no longer the funniest man in America." Jim Watkins, Author, Speaker, Newspaper Columnist [book title] "Dave Meurer is purely and simply a comic genius. He finds humor in everything he does and everywhere he goes and brings us along for the ride. As a new father, I found it to be one of the most genuinely funny books I've ever read." Phil Midling Editor and Publisher of The Clarion "Very funny stuff! This is a great 'guy' book even if you're not a guy. The ballistic diaper chapter alone is well worth the price. One word of caution: Do not attempt to read while drinking milk (unless you enjoy snorting milk out your nose)." Laura Jensen Walker Author of Dated Jekyll, Married Hyde and Love Handles for the Romantically Impaired "-hilarious. I laughed out loud throughout the book. But Dave Meurer is not just funny. He's insightful and clever in the way he takes simple, real experiences and translates them into meaningful reflections on parenthood. Parenting is serious business. And perhaps because it is so serious, we need to take it a little less seriously and enjoy the ride." Timothy R. Holler, Assistant Professor of Psychology, Crichton College "Raising boys and being a Christian go together like gasoline and matches. What a blast! Fortunately, Dave Meurer can get you out alive, laughing, and even a little smarter." David Kopp Father of four sons, Senior Editor of Christian Parenting Today, and coauthor of Praying the Bible for Your Children Every Harried Parent Needs an Industrial-Sized Dose of Laughter, and Dave Meurer Provides It.
