There were some interesting tid-bits about Steamboat Springs.0 of 0 people found the following review helpful. Boys at the barBy Marvin R. LappinEntertaining series of essays. It is probably more enjoyable if you only read two or three at a sitting. They do have a tendency to get

repetitive. Makes a nice book to have around when you only have fifteen or twenty minutes. 0 of 0 people found the following review helpful. A Rollicking Read By Barbara Duke The cowboy mystique still rules in the bar where the boys have much to say about how new money is ruining the old west. This collection of Towler's Denver Post columns covers that topic and a bunch more. From the bittersweet memorial to crazy-dave-the-plumber to thoughts on girlfriends and snapshots of people you might know (Wanda Jane the Hellion, Millie the Life Coach) she hits just the right note. Plus there is more than one laugh on every page. A rollicking read!

They are always there, raging, rumbling, and ruminating on the spirit of the West they say has been lost to cappuccino bars, environmental wackos, and yuppies. They are the Boys at the Bar--and you'll probably call them lots of names, not all of them complimentary. What you won't call them is boring. The Bar is the Corral Club in Steamboat Springs, Colorado. This collection of Sureva Towler's essays on the boys--many of which appeared in The Denver Post--give the reader an insight into the often troubling, often hilarious politics of Western small-town life. As the boys drink, laugh, and carouse, they also tell the stories that define us. A lament for the West that is being lost, this book is also a celebration for what remains and a reminder to drop in to the local watering hole for a cold one with friends.

About the Author Sureva Towler's articles appear regularly in the Denver Post. She has written seven award-winning histories of northwest Colorado and lectures throughout the West. Sureva resides in Steamboat Springs, Colorado but crosses the plains to Lawrence, Kansas often to spend time living near grandkids.
