I've read it over ten times since it first came out and I still laugh out loud. Not for the easily offended or those who cling to politically-correct language. With hundreds of sold-out concert dates each year, over 20 albums, two Grammys, two Cable ACE awards, and more HBO specials than anyone else, George Carlin is more popular than ever. Now Carlin's New York Times bestselling book comes to paperback. Filled with thoughts, musings, questions, lists, beliefs, curiosities, monologues, assertions, assumptions, and other delicious verbal ordeals, *Brain Droppings* is drop-dead funny.
