Buy two copies.By MargeI had to buy a second copy, because someone stole the one I had placed on the back of the pooper for a little light but 'moving' reading. While on the subject, if you only have one bathroom in the home, consider placing the book elsewhere in the household lest people get sucked in to the hilarious prose. My boyfriend hasn't come out in three days; it is worrisome.2 of 3 people found the following review helpful.
