**Mr Blaise C Hancock : Breaking Into High Society: The American Snob Handbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Breaking Into High Society: The American Snob Handbook:

0 of 0 people found the following review helpful. Really for the 'Top 1%'By jazzprincessInteresting book, even though I am not exactly among the 'intended audience' for it! However, I have worked with and been around enough wealthy people to know that the advice given here is pretty spot-on.1 of 1 people found the following review helpful. But this

author clearly knows little about what it's like to be in the American upper classBy JorgeIf you're goal is to be a vulgar nouveau riche upper middle snob - then read and follow this book. But this author clearly knows little about what it's like to be in the American upper class.

Breaking Into High Society: THE AMERICAN SNOB HANDBOOK is a fun, step-by-step guide to helping people with new wealth, solidify their place in society by creating a faade that blends with the realities of Old Money families.
