It makes me nostalgic for the old joke books I used to get at every book fair in school. Endlessly amusing jokes and puns with fantastic artwork makes for a great time!

Monstermatt Patterson is the wizard of bad monster jokes. In his first joke book Ha-Ha! Horror, he made us groan with his horrible puns and twisted sense of humor. Now he is back with more...more art, more monster minutes, and yes...more rancid rhymes. If you survived the first book, we dare you to attempt another.
