Susan Alison : Brilliant Border Collies! A dog lover's colouring book before purchasing it in order to gage whether or not it would be worth my time, and all praised Brilliant Border Collies! A dog lover's colouring book:

It also make those look super grainy. Doesn't look good when colored. Love Border Collies so two images were worth it for us. Not sure we would have bought it if we saw it first0 of 0 people found the following review helpful. giftBy Karen Bordonarothis was a gift for my BC friend. She loves it

Brilliant Border Collies! A4 size colouring book is a book for dog lovers. (There is also a pocket size). There are 45 pages of unique artwork based on original hand-drawn Susan Alison Border Collie designs. The paper in this book is 60lb in weight ie crayons and pencils are your best bet for fab results. (It's always a good idea to use a safety sheet

underneath each page whatever you're using.) Pictures are only printed on one side of the paper so that you can remove a page and display or frame it without losing the picture on the other side. Some of the pictures are cropped and enlarged to make different pictures and provide some less intricate designs, which also allow experimentation with different colouring schemes. Some have been made into 6"x4" pictures – a nice size for framing, or for cutting out and sticking to the front of a greeting card blank. There are also some sheets of notepaper for that special person, and a page of bookmarks that can be coloured and laminated. At the back of this book are a couple of pages for trying out your colours. Most importantly – these Brilliant Border Collies aim to bring you a smile or two.

About the Author Susan Alison lives in Bristol, UK, and writes and paints full-time. She paints dogs, especially Border Collies, Corgis, Whippets and Greyhounds. Every now and then she paints something that is not a dog just to show she's not completely under the paw – mainly, she's under the paw... Susan's romantic comedies, fantasy novels, colouring books for all ages, illustrated doggerel, and short stories can be found on , Etsy and eBay. Short stories of hers (not usually about dogs) have been published in women's magazines world-wide. In 2011 she was presented with the Katie Fforde Bursary Award for fiction (with which she's incredibly chuffed). She has a website at www.SusanAlison.com which features quite a lot of dogs... and if you'd like to receive her (infrequent) newsletter in the comfort of your own inbox, there is a space to put your email address on any of the pages.
