**Barney Stinson : Bro on the Go** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bro on the Go:

4 of 4 people found the following review helpful. Not worth the money, just buy the full Bro Code book.By Fernando M. MeneghettiIf you want to read the Bro Code go straight to the regular book. This one is more like a condensed version but really, the bro code can be read in less than 2 hours! Who needs a condensed version of that? If you don't believe me just look for "Barney reads the Bro Code" on YouTube and you'll find him reading the whole book (original, not this version) in less than 2 hours.2 of 2 people found the following review helpful. If you really love HIMYM you would knowBy Hyeoncheol JungWhat's to say? "Every bro on the go needs to know that that is no accepted substitute"... Yes, I quoted that. If you really love HIMYM you would know.Fun read while on vacation. :)56 of 58 people found the following review helpful. Yet again, Barney Stinson strikes gold.By Ragnar KristjanssonAfter purchasing the Bro Code, the Bible of Bro-dom, if you will, I decided I could not be without Bro on the Go. Upon receiving my package, I tore it open and immediately read the whole thing. It's not long, no, but the wisdom contained within its meek blue cover is second only to that within the Bro Code itself.There are a few original Bro Codes, usually one at the beginning of every chapter, but the majority of this book consists of fresh nuggets of wisdom regarding various situations a Bro may or may not find himself in, with titles such as "Bro at the Beach" or "Bro in Outer Space", and various other everyday situations.This is a book any Bro should own. No exceptions.

From the hit TV show *How I Met Your Mother*, an abbreviated, on-the-Bro version of the classic New York Times bestseller *The Bro Code*, featuring a new introduction by author Barney Stinson. When *The Bro Code* was first published in 2008, it took the world by storm becoming an instant New York Times bestseller and shaping the behavior and attitudes of Bros the world over. Author Barney Stinson expected nothing less. But for some busy Bros, the standard trade paperback format was just too big and chunky to fit into their perfectly tailored suit. With this audience in mind, Stinson now presents *Bro on the Go*, the same classic traditions and guidelines for Bro behavior, now packaged in a more compact and awesome format. Featuring a new Introduction by the author and the same classic *Bro Code* articles, amendments, and Brocabulary that made the original such a hit, this book is essential reading for anyone who wants to be legendarily it-dary.

About the Author Barney Stinson is awesome. He works for a powerful bank in New York City but somehow finds time to suit up and help the less fortunate, in particular his lovelorn and all together pathetic bro Ted Mosby seriously, that dudes got probs. When Barneys not staging private bikini calendar shoots, test-driving tanks, or elbow-deep in another legendary activity, like riding a tiger bareback or blowing up a guitar, he can be seen on the hit CBS show *How I Met Your Mother* with his friends Ted, Robin, Lily, and Marshall. INTRODUCTION FROM THE DISINFECTED DESK OF BARNEY STINSON Spider-Mans uncle once said, With great power comes great responsibility, but what the great philosopher really meant was, With great power comes a never-ending string of dumbass questions. In the year since selflessly bestowing *The Bro Code* upon humanity I have been inundated with letters, emails, textseven a few stalker-level break-ins from people in every corner of the globe, but mostly France. Everyone wants to know three things: Why havent you been nominated for a Nobel Prize? How can one person be so handsome, smart, popular, and handsome? (The one person Im referring to is you Barney Stinson.) *The Bro Code* is immensely entertaining, educational, and available via Fireside Books/Simon Schuster, but it offers only general guidelines about how to live my life. What do I do when Im at the office, going to the beach, or when Im supposed to be at the office but Im at the beach? HELP! I answer: I couldnt possibly nominate myself for *The Bro Code* theyve repeatedly told me its against the rules but you can. 1 Nominations for the Nobel Prize in Literature are due January 31 and should be addressed to: Nobel Committee for Literature Swedish Academy P.O. Box 2118 SE-103 13 Stockholm Sweden 2. I dont know, but if youre a hot chick, perhaps we could discuss it at your place sometime . . . though now that I think about it, I probably cant stay very long because Ive got a thing later that night but, yeah, no, lets talk. Relax. Daddys home. The next time youre out and about and a Bro-related concern arises, just reach down your pants and whip out this handy reference guide: *Bro on the Go*. For years Ive wanted to supplement the universal laws of the *Bro Code* with a portable handbook of advice and commentary but for various reasons had to scuttle each previous effort: *The Guy-dance Counselor*, 1 *Touching Your Inner Bro*, 2 and most recently *The Pocket Stinson*. 3 Now, with *Bro on the Go*, Im finally able to present the observations, reflective wisdom, and inspirational nuggets Ive mined through the daily grind of being awesome. In these pages you will find official *Bro Codes* in bold print alongside my own unique and powerful insights. To maximize utility, Ive organized this volume by location so that a Bro trying to choose between black or gray spandex shorts for his workout can quickly flip to *A Bro at the Gym* and know the answer is a resounding neither. Used this way, it is my hope that *The Bro Code* will calibrate your moral compass while *Bro on the Go* provides a map to navigate your path toward total awesomeness and maybe, just maybe, getting laid big-time. With these tools in hand (heh), you are now armed to live the life of a Bro on the Go. So take this package of wisdom, roll it into a generous cylinder, stuff it in your front pocket, and go, Bro, go. 1 You being a member of the Swedish Academy or another academy, institution, or society similar to it in construction and purpose; a professor of literature or linguistics at a university or college; or a previous Nobel Prize Laureate in Literature. 1 Sold title rights to adult film industry 2 Sold title rights to adult film industry 3 Sold title rights and life story to adult film industry in negotiations to star in the movie or at least pitch in on casting decisions 2008 Twentieth Century Fox Film Corporation
