Buck R. Peterson : Buck Peterson's Complete Guide to Fishing before purchasing it in order to gage whether or not it would be worth my time, and all praised Buck Peterson's Complete Guide to Fishing:

Outdoor jokester Buck Peterson turns his bloodshot eyes to the piscatorial world of lakes and streams. This revised edition of his original classic includes techniques for catching the latest hybrid fuel-efficient fish, turning fish into rosebush food, and capitalizing on recent innovations in military fishing weaponry.Reviews"Supremely funny, patently irreverent, and modestly salty information on just about everything to do with anything fishing."-In-Fisherman"Offers angling info tinted with sexism, drinking references, bad puns and dumb jokes. Which undoubtedly will make this guidebook parody a hit among many anglers." Recommended for "an easily amused fishing buddy."-Sacramento Bee

From the Publisher* A sleeker, even funnier, and fishier update of the classic humor book for fishermen. * This guidebook-parody champions rod fishing over fly- fishing; provides dubious information on the newest fishing technology; and includes endless side-splitting, beer can-bursting jokes. * The second in Buck's outdoors trilogy, following DEER HUNTING and preceding BIRD HUNTING (fall 2007).About the AuthorBUCK PETERSON is the author of 10 books on the great outdoors, including the best-selling ORIGINAL ROADKILL COOKBOOK. He roosts

in an old-growth tree farm just outside of Seattle, Washington.
