About the Author Molly Hahn began her daily meditative sketch practice in 2011, after a series of traumatic life events.

Her Buddha comics, light in heart but deep in intent, greatly helped her in her own healing process. To share and pay forward this joy, she began posting Buddha Doodles online, and was delighted when they quickly found an audience. The Buddha Doodles community is now over 200,000 strong and growing, at [BuddhaDoodles.com](http://BuddhaDoodles.com). Molly lives in Santa Barbara, California, with her feline artisans Bisquit and Basho, and does freelance illustration at [Mollycules.com](http://Mollycules.com).
