**Scott Adams : Build a Better Life by Stealing Office Supplies: Dogbert's Big Book of Business** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Build a Better Life by Stealing Office Supplies: Dogbert's Big Book of Business:

2 of 2 people found the following review helpful. Poor Kindle formatting makes the book unreadable. By Todd A. Jacobs This review is specifically about the Kindle formatting, which is unreadable. At the time of this writing, the formatting of the ebook is essentially an out-of-order page scan. Panels are oddly chopped, and the narrative flow is disrupted by the ordering of the chopped-up panels. makes it very hard to tell if or when ebooks are updated, and book samples sometimes aren't long enough to spot these sorts of problems. If your sample doesn't extend past the introduction, be prepared to return the book for a refund and make sure you let know it's due to defective content. If and when the ebook is updated, your mileage will vary. 0 of 0 people found the following review helpful. awesome By Neall Love Dilbert, scott adams makes me laugh 0 of 0 people found the following review helpful. A funny read but not his best work by far....by far By this (ladies and germs), is my pen name .Pretty cool eh? I have just about everything Adams published and imo his earliest material, where he was still finding his 'tone', is inferior to his later, more developed work. This book is from his earlier work and though its an entertaining read its still his earlier work.

Anyone who ever toiled in the office "environment" will identify with the ironclad axioms put forth by Dogbert in this collection of office wisdom. So, move over Murphy's Law, and forget about the One-Minute Manger--Dogbert is taking the business-book business by storm. Dogbert appears in the nationally syndicated comic strip Dilbert.

About the Author Scott Adams is an internationally syndicated cartoonist who has an MBA from the University of California. He is also author of the bestselling *The Dilbert Principle*.
