**Des MacHale : Bumper Book of Kerryman Jokes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bumper Book of Kerryman Jokes:

The Bumper Book of Kerryman Jokes contains hundreds of jokes, riddles, one-liners, stories and inventions to thrill

even the most politically correct among us.

About the AuthorDes MacHale is the best-selling author of over thirty humour books, including the hugely successful series of Wit books. He is famous for his defence of the joke against the politically correct, and is a regular delegate at humour conferences the world over. He is Associate Professor of Mathematics at University College, Cork.
