Cate Holly : Bunnies Kitties: A Cuddly Collection of Fur and Friendship before purchasing it in order to gage whether or not it would be worth my time, and all praised Bunnies Kitties: A Cuddly Collection of Fur and Friendship:

1 of 1 people found the following review helpful. Love for one another?By Jill MeyerCate Holly's "Bunnies and Kitties" is not "War and Peace". And I can't imagine anyone reading it would want it to be. It is a book filled with darling pictures of kitties and bunnies and can be read and appreciated by almost any age group. (Because the paper it's printed on is regular paper, it would not be suitable for a baby, though the pictures certainly are.)Now, I am a cat lover. (I also love rabbits but don't have one.) Kittens don't do much for me - I like a large, older cat that I can hug. I have two cats, a tabby and a tuxedo. While the tabby does look a bit like a "cat-bit" (what an animal might look like if a cat and a rabbit could mate), the tuxedo is all cat. Holly's book shows many cats and grown bunnies together, including a tuxedo duo and a tabby duo. Those are my favorite pictures in the book. But all the pictures - whether of kitten or cat, baby bunny or grown bunny - are wonderfully expressive of the way two different animals can share a love. I don't think too many of the pictures were "posed"; all the shots seem to show a real rapport between the animals.Pick up this book for a friend or for yourself. I bought a copy as a gift for my daughter-in-law who is as mad for bunnies as I am for cats. The second copy I bought for myself. Between the two of us, we both can see the book expressing the love two animals can feel for another.0 of 0 people found the following review helpful. Cute BookBy HeatherCute book, many colorful photos, better than I expected.0 of 0 people found the following review helpful. Five StarsBy Hillary BrooksI love this little book. I have bought copies for two of my friends.

Prepare for an Attack of the Warm and Fuzzies! In this heartwarming collection, life, love, and friendship are celebrated by more than a hundred adorable kitty-and-bunny duos. Paired with sweet and silly captions, this charming book will melt the heart and be treasured by animal-lovers everywhere.
