C. I. Harris, Jerome B. Deck Jr., Evan Grossman : But I Hardly Even Know Her!: A Book of Dirty World-Play Jokes (Blue-Breasted Nuthatch) before purchasing it in order to gage whether or not it would be worth my time, and all praised But I Hardly Even Know Her!: A Book of Dirty World-Play Jokes (Blue-Breasted Nuthatch):

0 of 0 people found the following review helpful. great. I did not find it particularly wittyBy agliningBook content: A

hand drawing on one page, then the description of the drawing on the back page followed by the words but I hardly even know her!. Examples include: barrier reef, border crossing and Bunker Hill. If this is your type of humor, great. I did not find it particularly witty. 0 of 0 people found the following review helpful. Best if you are an English speaker
By mike Very clever. Very "pun-ny". Best if you are an English speaker; preferably American English - as many of the puns are from that perspective. I wouldn't call it a "dirty" book at all. 0 of 0 people found the following review helpful. a fellow passenger commented that it must have been funny because I had an indelible smirk on my face ...
By Lisa Rawlins While reading this book on a plane, a fellow passenger commented that it must have been funny because I had an indelible smirk on my face as I read it. BUT I HARDLY EVEN KNOW HER! is indeed a unique mixture of wit and hilarity. And highly recommended, if you want to pass the time on a long trip.

In 1975, three twelve-year-old boys met in the nerd's corner of the cafeteria at Mission Hill Junior High School and discovered that they all shared the same raunchy, pubescent sense of humor. Over the next forty years, they managed to preserve their friendship and their sanity by tapping into the goofy immaturity of their youth with double-meaning word-play jokes. They recently collected the best of those jokes into the book that you now hold in your hands. So, flip it open, grab your lunch bag, and join us. You're welcome. And we hardly even know you.
