How did he think of writing an essay suggesting uses for leftover bait? How can he mix up "landing a fish" with "landed aristocracy"? This is the most humorous fishing humor I can imagine.

A compendium of Cliff Hauptman's eclectic, humorous, fishing pieces, including essays, short stories, satirical how-tos, poem parodies, and more. Many of these appeared in *Field Stream*, *Sports Afield*, *Gray's Sporting Journal*, *Fly Rod Reel*, and other outdoor magazines and are collected here in a single work for the first time.
