**Jerry Scott, Rick Kirkman : Butt Naked Baby Blues: A Baby Blues Treasury** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Butt Naked Baby Blues: A Baby Blues Treasury:

2 of 2 people found the following review helpful. :)By Just MEI own all the big treasuries of Baby Blues. There really isn't much you can honestly say about each treasury. I guess the most important aspect of this particular book is that it is the last book before the birth of Wren which will happen towards the end of Wall to Wall. This book is also different from other compilations in that it organizes the book by topic focusing on Wanda, Darryl, Zoe, Hammie, and Stories. It's a great part of the collection. But if you are looking for a book that gives you a taste of the beginning to recent, I'd hold out til November when the Best of Collection is released but if you are like me, go ahead and purchase all 7 of the major treasuries, it's well worth it as no two books are the same (unless you buy the smaller, cheaper 128 paged books which are recycled in the 250 page treasuries). 0 of 0 people found the following review helpful. Five Stars By Kindle Customer #10 of 0 people found the following review helpful. Gotta love the Blues By RocketsMom705 Our family loves and identifies with the day to day drama of the family in the Baby Blues books. As a family with four girls who are all older now it is funny to look back and remember when our girls went through the phases that Zoe, Wren, and Hammie do and to watch the ways that Wanda and Darryl attempt to handle their hijinks.

Baby Blues is one of today's top strips and considered among the best family comic strips ever. Butt-Naked Baby Blues chronicles the never-ending mayhem of the McPherson household in living color. As usual, Darryl and Wanda have their hands full chasing, refereeing, and pleading with their adorable and hilariously true-to-life kids. Featuring the best of Lift and Separate, I Shouldn't Have to Scream More Than Once!, and Motherhood Is Not for Wimps, it also includes original gems and insight from the creators themselves.

About the Author Jerry Scott is the co-creator of the award-winning comic strip Zits. He lives in central coastal

California. Jerry's work on Baby Blues has delighted fans and wowed the cartooning world since he launched the strip with Rick Kirkman in 1990. ?Rick Kirkman's work on Baby Blues has delighted fans and wowed the cartooning world since he launched the strip with Jerry Scott in 1990.
