HarveyIf you were ever a kid or have kids, this book was made for you. I just realized that the book's title is what they call in the marketing world a "call to action." The book is asking to be read while you are on the toilet. Nicely done, Matthew and Morgan!0 of 0 people found the following review helpful. HystericalBy Allison DonnellyThis book is amazing! My best friend and I came across it at a bookstore and were laughing hysterically! Ordered 2 for Christmas!

As a single dad, Matthew Carroll didn't always have someone to share in his frequent laughter and incredulity at the various things his daughter, Morgan, said. Hoping to document some of her best commentary, Carroll took to recording her choicest quotes on his iPhone when she was between the ages of three and five. He then compiled them chronologically in a small homemade volume for friends and family who, compelled by the hilarious and touching content, encouraged him to share it with a larger audience. *Can I Sit on Your Lap While You're Pooping?* is the record of the hilarious, crazy, and touching pronouncements of a little girl, but it's also the irresistible documentation of the love between a parent and child.

About the AuthorBased in Portland, Oregon, Matthew Carroll has worked at Wieden+Kennedy as an art director, designer, and writer for the past 10 years. Morgan Carroll loves animals and riding her bicycle.
