**Bill Casselman : Canadian Words and Sayings** before purchasing it in order to gage whether or not it would be worth my time, and all praised Canadian Words and Sayings:

0 of 0 people found the following review helpful. ..the True North brave and freeBy Wb JohnstonTrue patriotism is rare. It's not about flag-waving always - although a wee bit of flag-waving is fine! Cassleman loves his country, his

fellow Canadians, and words. Hard to say which he loves more. Fortunately we don't have to choose. This book is a labour (let's spell it the Canadian way, eh?) of love. It is also a work of art. Careful scrutiny of language sources, it honours every single ethnic tradition from First peoples to the most recent of immigrants in the rich melting pot of Canadian words and sayings. There are moments of insight and, the humour is rich. I put this on my bookshelf next to Barry Lopez' Common Ground. As an American who fell in love with Alberta over forty years ago, this is finer with my breakfast than a dead Tim! Kudos, Mr. Casselman, you did us all proud.
