I Must Confess...!By Mrs. Stampers SaveremThe photos and writing match each other so perfectly, one would think the cats actually posed and then wrote their comments with their own little paws. And I am still chuckling to myself over a number of these that I have all but memorized--This book is so on the mark for Cat People of both fuzzy and human varieties!1 of 1 people found the following review helpful. Felines have many secrets they want to reveal, if only someone would ask them. Well, Allia Zobel Nolan has, and this clever kitty tell-all is filled with their hilarious confessions paired with photographs of cats caught in acts of mischief.Written as though the cats are speaking, each admission presents a comical revelation. As the cats come clean, they admit to everything from playing tricks on the family dog to secretly hating milk. The result is a fun, great gift for cat lovers...and dog lovers who want the inside scoop on life among the litter crowd.

“Cat Confessions is filled with charming and delightful kitty sentiments?creative hidden secrets from the perspective

of our feline friends attached to photos of some of the cutest furry 'beasts' I've ever seen. The book is a perfect gift or an add-on gift for any cat lover. My favorite: the cat admitting a preference for a grande double-mocha cappuccino with two shots of espresso instead of milk."?Felice Prager, author of Quiz It
