The retro images are adorable and we had lots of laughs over the silliness of the Cat-Hater's Handbook. Being that I'm actually a ailurophobe (though slowly being cured after living with Bengal cats for a number of years now...) It was a light hearted way to share some of my deeper feelings about felines in a fun way.0 of 1 people found the following review helpful. One StarBy Ralph DeMattiaDidn't like it!
