before purchasing it in order to gage whether or not it would be worth my time, and all praised Cat's Got Your Tongue: A Book of Riddles:

0 of 0 people found the following review helpful. CAT MAGICBy papaTThis book is a fantastic collection of wit and rowdy artistic risk. Albert Van Troba's artwork is vibrant and alive. The riddles are smart and well planned. The riddles work together to spin an outrageous family tree of cats! Buy this book, whether you like cats or not! You will be pleased.

Filled with brainteasers, full-color paintings, and kooky clues, the playful and goofy graphics of this book are designed for all cat-lovers who enjoy puzzles.
