I like that it's a bit larger than typical daily calendars but I was hoping it would be a bit funnier. I like it, but I don't live it Update: I'm a cat lover and ordered this desk calendar in October originally giving 4 stars. Since I've now been looking at this daily I've upgraded to 5 stars.... Because it's made my smile everyday I go into work and see a few cute kitties with a funny saying In the back of each day it has a cute dialog called "The Daily Extra" it's great morning water cooler talk My clients love it AND unlike most desk calendars that have a shiny paper, this is actual paper. Which means, you can write on it. I will definitely buy this again next year I will try to post pics but has been stranger when posting pics lately Happy New Year OH and.... I saw this in the Paper Store at more than 2x's the price it is here 5 of 5 people found the following review helpful. Great gift idea for the cat obsessed. By EmmaLee Lester I got this gift for my future grandfather-in-law. He loves cats, jokes, and tear away calendars. I thought this would be perfect for a Christmas present for him. 0 of 0 people found the following review helpful. So funny! Perfect gift for any cat person By Noelle Bristol So funny! Featuring funny and contributed photos from the popular Tumblr blog, the new Cat Shaming 2017 Day-to-Day Calendar is perfect for those who know that good kitties sometimes do bad things...and love them anyway. Cats remain

a mystery, even to their devoted owners. But now, owners have an outlet to share their feline frustrations--by gathering and sharing photographic evidence of the adorable culprits with a sign describing their latest mischief for the entire Internet to see. This phenomenon is known as cat shaming. Whether the cats themselves are actually remorseful remains a mystery, but this calendar provides plenty of commiseration and comic relief for cat people everywhere.
