Unless you're kids are pervs too. 0 of 0 people found the following review helpful. Hilarious! By Gratitude31 This calendar is cute and hilarious, illustrating what little jerks our beloved kitties can be! I have it hanging at work, so all of my fellow cat lovers (and haters) can enjoy a laugh. I love it, worth every penny. 0 of 0 people found the following review helpful. Pretty much exactly what it says on the tin By JayGot this to hang up in my cube at work for funnies, since the free ones we're offered are all the same things every year and a little boring. My coworkers think it's a hoot.

Cat Shaming features the most hilarious, most shameful, and never-before-seen feline misdeeds. Cats are known for their poise, discerning tastes and impeccable personal hygiene. They also shred our upholstery, puke on our carpets, and embarrass us in front of our guests. The large format includes large daily grids with ample room for jotting your appointments, reminders and birthdays. Also included are six bonus months of July through December 2016, moon phases and U.S. and international holidays.

About the Author Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in *Publisher's Weekly*. But, a few years ago we did get noticed with the release of *Just Labs*, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.
