**Pedro Andrade : Cat Shaming** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cat Shaming:

Hedges I was always a fan of "Dog Shaming" started in 2012 by Pascale Lemire, but given that I cohabitate with cats, I wanted something for those of us with a proclivity for felines. Here it is! Pedro Andrade has excelled at extolling the virtues and vices of cats in "Cat Shaming", a hilarious book that people living with these confusing and curious creatures will appreciate. There are so many standout captions and photos that I can't really pick a favorite, but I particularly enjoy the themes of thievery and subsequent ingestion of inappropriate items (pizza, ribbon, etc.) and feline-induced broken bones (I have experienced both of these personally.) This is a great little book overall, with little to quibble about (though some of the entries do have somewhat salty language) and so many illustrations and captions that truly encompass what it's like to live with these wondrous yet utterly daft creatures. Highly recommended! 1 of 1 people found the following review helpful. So excited I got the book that makes me laugh all the time By Alex1129 Saw this book at the library googled if had it and they DID OF COURSE !!! The best book always makes me laugh smile and want to share it I keep it on my desk and people get to know me better by meddling about and reading it themselves !!! I love my book these bad cats

all the notes are true too cats are in a class by themselves i love all animals but I'm so glad I saw this book in the library !1 of 1 people found the following review helpful. Four StarsBy kristaGood gift for cat lover. They seemed to enjoy

Dog Shaming:now for Cats! Cat Shaming is a humorous book filled with pictures of unapologetic, darling cats that are being shamed for their misdeeds.What happens when your cat makes a mistake like ruining something valuable or going outside the litter box? You can't ground or take away their allowance when your cat gets in trouble. So what is the next best thing? Cat Shaming! Cat Shaming is a hilarious collection of photos from owners who express their frustration when their furry best friend does something bad. Millions of cat owners can relate to the antics of these felines while the picture shows a shamed but adorable, innocent looking kitty.

About the AuthorInspired by his own mischievious felines, and the popular Dogshaming.com, Pedro Andrade starting his Cat Shaming blog in 2010. It has 239,000 followers and was featured on BuzzFeed.
