Cute!By gigglewhizzI love Yasmine Surovec's website, Cat vs Human, and this book is a great collection of the cartoons she has featured there. When ever I need to cheer myself up, I just open this book and chuckle. It's so cute and so true! If you have cats, or you love cats, you will love this collection.

This second collection of Cat vs Human cartoons makes witty observations about the friendship between humans and felines. The book is based on the popular blog catversushuman.com and includes more than twenty new comics that appear only in this collection. Cat owners are familiar with those little joys of owning a feline friend: From finding cat hair-covered dresses to creating, well, inventive cuddle positions for sleepy time, Yasmine Surovec is all too familiar with the world of a cat lover. She began sketching out her observational humor as a hobby on her blog at

catversushuman.com/blog, and her Web site soon began receiving as many as 12,000 hits per day. Her posts have been featured on popular Web sites The Huffington Post and I Can Has Cheezburger?, and in 2011 her comics were published in her first book, Cat vs Human. In her second collection of Cat vs Human comics, Surovec dives further into the intricacies of cat ownership. Perhaps you've had the pleasure of awakening next to a lovely gift from your cat--such as a dead mouse or hairball--or maybe you understand the necessary pain tolerance that comes from being a scratching post for unclipped claws. Either way, this book is sure to leave you rolling with laughter . . . on your cat hair-infested floor. This collection includes 140 comics from the blog plus 21 new, never-before-seen comics created specifically for this book.
