Fun gift for cat lovers!By L. CunninghamGreat gift for a cat lover! My friend had a blast seeing all the different pictures and coloring them! The pictures are simplistic which was perfect for what I was looking for. You can add as much detail as you want to the pictures when you color them. Well worth the cost!0 of 0 people found the following review helpful. We love cats and this was a lot of funBy quippersWe love cats and this was a lot of fun. Not really an adult style coloring book but still a lot of fun

Cats Are Jerks. They have been for thousands of years, barfing hairballs on marble floors and in sod huts, and waking your ancestors up at 3:00am. Cats will continue to be jerks for all eternity, but now you can color your stress and cat-

hate away. Fun things to do with your copy of Cats Are Jerks: -Color and tape a drawing above your cat's food dish. - Plaster your cat-loving coworker's cubicle with your art work. -Frame each page and nail them on the ceiling above your bed. -Leave random colored cat pages in public places. -Donate 10,000 Cats Are Jerks books to your local animal shelter.
