**Kat Scratching : Cats in Hats** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cats in Hats:

Jazz cats in fedoras, feisty cats in Viking horns, gourmand cats in chef's hats, Burmese cats in bonnets, and the always popular Siamese in a sombrero?no one rocks a hat quite like a cat.Featuring more than forty two-page spreads consisting of color photos alongside hilarious captions and informative text, Cats in Hats is a fun, joyful compendium of some exquisite combinations of felines and head wear. They say cats have nine lives, but no one's ever told us how many hats they have...

About the AuthorWhen she's not taking photographs of cats in hats, KAT SCRATCHING enjoys sleeping, eating, and ignoring people. She wants you to know that she really doesn't care what you think about her book.
