Hugo Ross : Cats in Snow: The Ultimate Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Cats in Snow: The Ultimate Collection:

When you think of cats you see them snuggled up by the fire, playing with string, cleaning their whiskers, or curled up on someone's lap. You don't think of them paw-deep in snow! But this fantastic new collection captures just that. In this stunning compilation, see cats as you've never seen them before. From tortoiseshells to tabby cats, feisty felines to curious kittens; whether they're up trees, under cars, or buried up to their necks, these cats are truly at their most majestic when they are in the snow. With more than 100 beautiful photographs and hilariously entertaining captions, Cats in Snow is a unique and heart-warming insight into the life of our regal furry companions.
