The only thing better than a cat? A cat in a sweater.Cats in Sweaters is a charming collection of photographs featuring felines modeling their favorite cozies. Each that of these kitty's unique and quirky "purrsonalities" shine through while flaunting their sweaters, which can be seen in each of their biographies. Like Belle, a white tabby who loves cat grass, lounging in the sun, and pushing her siblings off of her cat tower. These irresistible pictures will leave you smiling and will have you dressing up your own cat in no time!
