**Bess Goden : Cats in Tophats: A Steampunk Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cats in Tophats: A Steampunk Coloring Book:

This adorably detailed adult coloring book features Steampunk cats having Victorian/Edwardian inspired fun! Intricate filigree twines around whimsical scenes of cats reading kitty literature, drinking milk in a hot air balloon, fixing an ornate Rube-Goldberg machine, fishing for lunch and much more! 10 awesome, detail rich designs in a 8.5x11" soft cover edition. Each design is printed on a separate page, ready to rip out and frame your newly colored masterpiece. See more designs and products at <http://www.SteampunkParliament.com>!

About the AuthorBrand new writer and illustrator, Bess Goden, (Steampunk Bessie), has a history in freelance graphic

design, designing for theatre and children's publishing. She has also crocheted sample projects for books and magazines, and has just launched her shop/blog, Steampunk Parliament. There she offers not just coloring books and posters, but also originally designed tshirts and handmade crochet cameo jewelry and cosplay accessories. Check her out at <http://www.SteampunkParliament.com>.
