These are two of my favorite things. I have a beautiful picture of my favorite kitty (who has long since passed on) sitting on her favorite quilt. It is a picture that I love to look at and remember her by. Now, with this beautiful coloring book, I can color and think of her (and my other pets from the present and past) at the same time.What is outstanding and unique about this coloring book is that you are given full size coloring pages of each design as well as a 4 x 6 inch version as well. All of the designs are printed on one side of the paper (with the back left blank) though the smaller version are printed two to a page. All of the designs have blank space on all sides, so coloring into corners is not an issue with this book.The designs are printed on white non-perforated paper. The

paper is medium weight and all markers and gel pens bleed through. Not a problem – I am now using a piece of chipboard under my work to keep ink from leaking through to ruin the design below. You can use heavyweight paper or cardstock but be sure to check to see how many layers you need to keep it from leaking through. The binding of this book is glued rather than sewn or stapled. There is plenty of room to cut the page out if you wish. 56 of 56 people found the following review helpful. LOVE this one! By toshi station Cats and Quilts is awesome! There is detail if you want it, but it isn't frustrating for the more casual younger artists in my house. Perfect mix of geometry patterns and animals. I hope this author makes more like it. The picture is the first one my 12 year old did. She was occupied for hours with this book. 91 of 91 people found the following review helpful. Challenging, creative, good variety great for Children and Adults By Jyothive! My kids aged 11 and 17 both loved it. The varieties of pictures gave them all different difficulties.. easy to hard to allow them to be more creative and challenge them enough. My wife is a cat lover and loves to paint as well. She loves this book as much as my kids do. I highly recommend this for all kind of art lovers - easy to hard !!!

24 unique hand drawn illustrations to color Each coloring page is printed on a separate sheet to avoid bleed through Each illustration is printed twice: full page and 4"x6" size, perfect for framing Designed to appeal to all ages, and especially cat fanciers and quilt enthusiasts, Cats Quilts adult coloring book contains twenty four timeless, hand drawn illustrations of cats and kittens cuddling in quilts as colorful as you want to make them. Each illustration appears in two sizes: large and half size, both suitable for framing when complete. Beginners can create beautiful pictures using solid colors while more advanced artists can use the line art as inspirational guides to add shading and detail to fur and fabric. Each picture is printed on one side of 60 lb pure white paper to minimize scoring and bleed-through. We suggest using crayons and high quality colored pencils for the best results. No matter what your artistic skill level, Cats Quilts makes the perfect gift for you or a special loved one. Interested in an Artist's Edition of Cats Quilts? Now also available with super thick coverstock paper, spiral bound with perforated pages! Suitable for all media, including watercolors and markers: <https://www.amazon.com/dp/B01F5JL8UQ/>

"I have about 22 different coloring books and this is my favorite one. I am a cat lover and the pictures are adorable." - Tonya Helser "Fantastic. The best cat book yet. I love the addition of the quilts which leave so much room for creativity!" - Obsessive Cat Disorder "Love the fact that I can color the cats as I want to remind me of one's I have had. Also love doing the quilts in such detail, right down to the quilt stitches." - vladsma "Love it! Cats are all cute and cuddly. I really like that the illustrations are realistic and the cats are not made up of triangles and squares like most of the abstract cat coloring books." - Customer "It is just what coloring books should be - scenes and settings with plenty of imaginative designs on the objects in each picture. Perfect for either the beginner or for those wanting more advanced variations on the quilts and cats' fur designs. Love love love this book" - Meowzzers From the Back Cover Cats Quilts 24 hand drawn illustrations of cats and kittens on quilts of all types. Fun to color no matter what your skill level. Printed single sided, so that your artwork isn't affected by bleed through from pictures on the other side of the page. Each illustration is available in two sizes: Full page and 4" x 6", perfect to cut out and frame!
