**Christine Montaquila : Cattitude Box Set** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cattitude Box Set:

The purrfect gift for the holidays! Diecut slipcase with faux jewels The ladies are back, and this time with a trilogy of feline fun. Christine Montaquila and Kim Levin's bestselling "feline guides" are now available as a boxed set, including *Cattitude: The Feline Guide to Being Fabulous*, *Catrimony: The Feline Guide to Ruling the Relationship*, and *Caternal Instincts: The Feline Guide to Mastering Motherhood*. All three feature the unique black-and-white documentary-style photography and clever captions that have kept cat lovers wanting more. In *Cattitude*, the felines give us the dish on living large for women in any stage of life, offering advice like "Accept your body. Augment your ego," and "Realize a tiara is a state of mind." In *Catrimony* they conquer the milestone of marriage with witty suggestions to "Hide the videotape" and "Devise a holiday evacuation plan." And, finally, in *Caternal Instincts* the ladies get real about the challenges of parenting, encouraging every mom to "Buy stain resistant everything" and "Accept the fact that you'll never pee alone again." Perfect for birthdays, weddings, baby showers, or any gift-giving occasion, the *Cattitude Boxed Set* is for cat lovers, photography buffs, and everyone in between.

**About the Author** Kim Levin is a photographer whose company, Bark Smile Pet Portraits, combines her passion for photography and her love for animals.
