Hilaire Belloc : Cautionary Tales and Other Verses before purchasing it in order to gage whether or not it would be worth my time, and all praised Cautionary Tales and Other Verses:

3 of 3 people found the following review helpful. nice expansive collection in a beautiful volumeBy sempervirensfantastic collection of witty verse ostensibly for children, but this is one that parents will enjoy as well. Also this contains much other work beyond the basic "Cautionary Tales" collections available. Additionally the slipcase and hardcover binding are handsome and attractive.
