**Petronius : Cena Trimalchionis** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cena Trimalchionis:

3 of 3 people found the following review helpful. Excellent commentary for advanced studentBy PalinurusThis commentary fills a gap in student-oriented commentaries. The Cena Trimalchionis is an unusual and central work of the Silver Age, and because its style and diction belong to a transitional period, students who are otherwise prepared

for a work of its medium level of difficulty need a guide that not only provides background but also identifies grammatical and vocabulary departures from works of the Golden Age. This commentary does that with the greatest tact and flexibility.

### Cena Trimalchionis

"The text is clean and clear, the apparatus adequate (and most useful for pedagogic purposes), the notes almost always helpful."--Paul B. Harvey, Jr., Pennsylvania State University"Smith is to be commended for the balanced and sensible notes he has provided....This is a sound and useful book for advanced students..."--New England Classical NewsletterLanguage NotesText: English, LatinAbout the AuthorPetronius (c. 27-66 A.D.) was a Roman writer of the Neronian age; he was a noted satirist.
