I had to clean some sticker adhesive off the right corner, maybe it had a price tag I don't know. Good price, fast shipping, A+.0 of 0 people found the following review helpful. Some of his bestBy Richard E. Robinson This has some of Sidney Harris's best cartoons. I would recommend this to any fan. My favorite is still "and then a miracle occurs" as shown on the cover of this book.4 of 5 people found the following review helpful. A good laugh!By Rob Bittick After working all day, and sometimes all night, at the university, I like to read humorous works to help me put it all in perspective. Whether it be academia, science, business, law, etc., Harris find the humor in these professions. I figure if I can still laugh at the end of the day, I am doing well. Harris helps me laugh.
