Ed Delacruz, Jamie Delacruz : Charli the Dachshund: A Book for Dachshund Lovers before purchasing it in order to gage whether or not it would be worth my time, and all praised Charli the Dachshund: A Book for Dachshund Lovers:

A darling little story about a special dachshund who loves her family as much as they love her.

From the AuthorAs a Dachshund Lover and artist, I am always sketching these little guys. I have painted hundreds of dachshunds and they are a big part of my life. Each illustration in this book is a personal feeling or experience with dachshunds that I have had. It has taken about two years to put this book together....from concept to now.
