John Holt : Chasing Fish Tales before purchasing it in order to gage whether or not it would be worth my time, and all praised Chasing Fish Tales:

3 of 3 people found the following review helpful. Great BookBy A CustomerFor those of u who love fishing, and even if u just like a good story, this is a great book for you. It's funny, although in a way not appropriate for young kids. I've borrowed this book like four to five times from the library, and now I think I'm gonna buy it at .

An exciting and spirited trip through a year's fishing--from Montana and Morocco to Iceland and the Canadian Rockies.
