1 of 1 people found the following review helpful. Chi is fun for the whole family By Charity Chi books are fun for the whole family! Wholesome story. Cute kitty. Memorable characters. We had trouble getting my daughter interested in reading. She will pick up a Chi's sweet home book for fun! Great Series! Of course we all have to read them, because we all love the books and the characters. 1 of 1 people found the following review helpful. Hilarious and Cute! By FaerieTxnI found book 7 at the local Library and picked it up for my 9 year old daughter to read. She's in this phase where she hasn't really started looking for books for the story but searches for her favorite topics. Cats mostly! She loves anything about cats!! She has also loved reading the Baby Mouse Graphic Novels so when I saw these I was so excited to find something new to read. I flipped through it reading it at lunch and was laughing so hard! It's cute, funny
