The illustrations are beautiful and the story is very sweet. Im not even a cat person.0 of 0 people found the following review helpful. Love it so much.By SHERIN SCOTTChi is so amazing. It's also really adorbs because it just has a little cute cat face. But sometimes she gets in trouble0 of 0 people found the following review helpful. Very cute!By Kumiko!?!The books are in full color and the chapters are kept short, so it's like reading the weekend comics from the newspaper! The only thing I didn't like was that the book was 'flopped', meaning it's

been reprinted from its right to left format (Japanese) to a left to right one (English). It however, doesn't bother me enough that I wouldn't buy the next volume!

FOR USE IN SCHOOLS AND LIBRARIES ONLY. Follows the adventures of Chi, a mischievous kitten who is adopted by Yohei and his family, the Yamadas, even though their lease explicitly states pets are not allowed in their building.

A "Publishers Weekly" Big Graphic Novels for 2010 selection! "'Chi's Sweet Home" seems to have that feline je ne sais quoi that could fill a niche in the existing market." --"Comics Reporter" " "'Chi's Sweet Home" has been a fan-favorite for a while...Now American manga readers (and cat lovers) will get a chance to enjoy this wonderful manga." --"About.com"'How can [Chi] be so cute even without any sparkles in those black eyes? ...Reading Chi always makes me happy.'"--"Moto Hagio, Shojo manga pioneerAbout the AuthorKonami Kanata (pen name used by Kanata Konami) was born on July 3, 1958, in Nagano, Japan. A veteran manga artist Konami made her professional debut in 1982 with the serialized comic Petit Cat Jam-Jam for Kodansha's seminal shoujo manga magazine NakaYoshi. The daughter of an elementary school teacher, most of Konami's stories are for readers of all ages making her one of the most accessible artists in recent history.In her nearly thirty year career, Konami has penned more than a dozen comic series, with the majority of them focusing on cats and pets. Konami is well regarded within the pet-manga community for her keen sense of cat ecology. Her ability to observe and render feline behavior has earned her respect from the Japanese manga community as a whole. While most of her properties were published for a younger female demographic, her most recent series Chi's Sweet Home is currently being published by Kodansha's Morning magazine, Japan's leading comic magazine for adult readers. Proving that quality can be found even in the cutest of sources. Chi's Sweet Home will be Konami's first translated work.
