**Konami Kanata : Chi's Sweet Home, volume 10** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chi's Sweet Home, volume 10:

0 of 0 people found the following review helpful. We Love Chi Books!By ElsaWe love all of the Chi Books, they are a great read for my son...he reads them over and over again!0 of 0 people found the following review helpful. Very cute!By Kumiko!?!The books are in full color and the chapters are kept short, so it's like reading the weekend comics from the newspaper! The only thing I didn't like was that the book was 'flopped', meaning it's been reprinted from it's right to left format (Japanese) to a left to right one (English). It however, doesn't bother me enough that I wouldn't buy the next volume!0 of 0 people found the following review helpful. ChiBy DanielleWas exactly what they described

It has been a long time coming, particularly in the life of a kitten, but Chi is now painfully close to finally being reunited with her feline family. But there are things that still stand in her way. The most complicated of which is whether the Yamada's be able to part with their youngest family member?

"Chi's Sweet Home seems to have that feline je ne sais quoi that could fill a niche in the existing market." --Comics Reporter "Chi's Sweet Home has been a fan-favorite for a while...Now American manga readers (and cat lovers) will get a chance to enjoy this wonderful manga." --About.com About the Author Konami Kanata was born on July 3, 1958, in Nagano, Japan. A veteran manga artist Konami made her professional debut in 1982 with the serialized comic Petit Cat Jam-Jam for Kodansha's seminal shoujo manga magazine NakaYoshi. The daughter of an elementary school teacher, most of Konami's stories are for readers of all ages making her one of the most accessible artists in recent history. In her nearly thirty year career, Konami has penned more than a dozen comic series, with the majority of them focusing on cats and pets. Konami is well regarded within the pet-manga community for her keen sense of cat ecology. Her ability to observe and render feline behavior has earned her respect from the Japanese manga community as a whole. While most of her properties were published for a younger female demographic, her most recent series Chi's Sweet Home is currently being published by Kodansha's Morning magazine, Japan's leading comic magazine for adult readers. Proving that quality can be found even in the cutest of sources. Chi's Sweet Home will be Konami's first translated work.
