Konami Kanata : Chi's Sweet Home, volume 9 before purchasing it in order to gage whether or not it would be worth my time, and all praised Chi's Sweet Home, volume 9:

0 of 0 people found the following review helpful. My kids love the Chi's series By Lila Rawlings My kids love the Chi's series. The love the humor and a good read. We have enjoyed all of them thus far! 0 of 0 people found the following review helpful. Fantastic translation! By Manga Customer Amazingly adorable and true to the original Japanese wording. Vertical translators did an excellent job transforming this to an english version. The book quality, along with the actual images/panels, are also fantastic. My only qualm, which is simply a personal preference of mine, is the replacement of "meow" with "miya" in most of the dialogue bubbles. As I read the book, and say the words out-loud in

my mind, I find that "meow" seems to flow better; in addition, I am just naturally used to thinking of cats saying "meow" as opposed to "miya". 0 of 0 people found the following review helpful. We Love Chi Books! By Elsa We love all of the Chi Books, they are a great read for my son...he reads them over and over again!

As Chi Yamada has shown, kittens are a resourceful and strong lot. Through play and exploration they learn to hunt for their food and to define their territory, much like the big cats of the savannah and jungle. Chi's turf now stretches out for blocks. But after a brief sick spell, she is confined to her condo home while her instincts and heart command her to go out to spend time with her stray friends. So after a sneaky escape from home, Chi makes her way back to the company of her friends, Cocchi and Blackie, but this time she departs with a better understanding of what it means to be a "cat". What exactly does freedom or being a stray mean, though, is something she will have to learn first hand. And there may be a bit of a kitty culture shock in store.

Winner of the 2011 About.com Manga Readers Award - Best All Ages Manga "Chi's Sweet Home has been a fan-favorite for a while...Now American manga readers (and cat lovers) will get a chance to enjoy this wonderful manga." --About.com "How can [Chi] be so cute even without any sparkles in those black eyes? ...Reading Chi always makes me happy." --Moto Hagio, Shoujo manga pioneer About the Author Konami Kanata was born on July 3, 1958, in Nagano, Japan. A veteran manga artist Konami made her professional debut in 1982 with the serialized comic Petit Cat Jam-Jam for Kodansha's seminal shoujo manga magazine NakaYoshi. Her ability to observe and render feline behavior has earned her respect from the Japanese manga community as a whole. While most of her properties were published for a younger female demographic, her most recent series Chi's Sweet Home is currently being published by Kodansha's Morning magazine, Japan's leading comic magazine for adult readers. Proving that quality can be found even in the cutest of sources. Chi's Sweet Home is Konami's first translated work. Konami was the Guest of Honor at the 2012 Toronto Comics Art Festival
