By Customer I have enjoyed Bob Johnson's humor and heart when reading the often "fowl" puns from his book "Chickenisms from the Mind of Bob". I especially like seeing the setup for the punch. Example: Mr. Mrs. Lent's son Flatu. Enjoy! 0 of 0 people found the following review helpful. Fun! By Shannon McFall Fun book, cannot wait for Volume II. By Mike Tiff As a personal friend of Bob, I've been reading his chickenisms for years and I promise you, you will get a kick out of them and they might even make you think a little bit. Be sure to pick up a copy for yourself and anyone else in your life who enjoys a little wacky humor with overtones of wisdom. The book would make a great gift!

Laughter is the best medicine! "Funny, but for whatever reason the thought of a chicken being wise and quite capable of anything appealed to me. So that day I wrote a short chicken story." Now after several years as these silly short stories met with favor, it is this book I bring you, with hope that laughter will fill you as you enjoy volume one of the Bob's chickenisms.

About the Author Bob Johnson has been happily married for 34 years and has 3 kids. Being raised in a family, including parents, sister, aunts and uncles with a bit of a twisted sense of humor. You forever had to be on your toes as the whole family had a way of making whatever was said into something hilarious. It was this instilled humor that in 2009 I felt inclined to come up with my first chickenism.
